Identifying Other Steering Committee Member Organizations

Consortium membership is open to any organization with a public health focus and an interest in data standardization for the purposes of public health and of health services research. Current members include national public health data organizations, health services research organizations and federal and state public health agencies; other potential members include managed care organizations, business coalitions and consumer groups. Refer to the Public Health Data Standards Consortium website for a listing of current members:

<http://www.cdc.gov/nchs/otheract/phdsc/phdsc.htm>.

Please list below any additional organizations specifically by name that we should invite to the **Consortium Steering Committee**:
